[Verse 1]

G C A# A#  
You say the hill's too steep to climb  
G C A# A#  
Climb it  
G C A# A#  
You say you'd like to see me try  
G C A# A#  
Climbing  
A D  
You pick the place and I'll choose the time  
G C  
And I'll climb that hill in my own way  
G C  
Just wait awhile for the right day  
G C  
And as I rise above the tree line and the clouds  
D C G  
I'll look down hear the sounds of the things you said today

[Verse 2]

Fearlessly the idiot faced the crowd  
Smiling.  
Merciless the magistrate turns round  
Frowning.  
And who’s the fool who wears the crown?  
No doubt,  
In your own way  
And every day is the right day  
And as you rise above the fear-lines in his brow  
You look down, hear the sound of the faces in the crowd.
